

SPORTING ENNISTYMON F.C'S SAFETY POLICY

All coaches/managers in Sporting Ennistymon F.C have a responsibility to ensure the safety of the players with whom they work as far as possible within the limits of their control. Therefore coaches should seek to create a safe and enjoyable environment in which to play and train.

In this respect:

- Adequate supervision must be maintained at all times. Best practice advice would advocate adult:child ratios of 2 Leaders to every 16 children (1:8), but no coach,

manager or volunteer should work alone.

- Regular safety checks should be carried out in relation to premises, training facilities and equipment. Ensure that the FAI Goalpost safety policy is strictly adhered to at all times.

- Sporting Ennistymon F.C safety rules should be adhered to at all times.

- Parents/guardians should be informed of the starting and finishing times of training sessions and matches.

- Ensure the use of any recommended safety equipment

- A first aid kit should be available at all training sessions and matches and injuries should be recorded, with a note of action taken in relation to each one. Never play injured players.

- Parents/Guardians should be notified of injuries/illness which their children incur while participating in any Sporting Ennistymon F.C footballing activity.

- Records of attendance should be maintained
